

COMMUNITY PARTNER PROGRAM

Thank you for your interest in becoming a Community Partner!

This program celebrates businesses and organizations that believe in the power of education and want to make a meaningful impact on the lives of local students. By partnering with the Lake Washington Schools Foundation (LWSF), you're investing in a stronger future for our community.

Who can become a Community Partner?

The Community Partner Program is open to businesses, corporations, and service organizations that want to align their success with a cause that strengthens the community.

When should you become a Community Partner?

Today is the best day to join! *Be the Bridge*, our signature spring benefit, is now part of the year-round Community Partner Program. That means you'll receive all the visibility and recognition you previously enjoyed as an event sponsor—plus so much more.

Your partnership starts as soon as you sign up, with benefits rolling out over the course of the year, ensuring you maximize your impact across all our programs and celebrations, including *Be the Bridge*.

Why become a Community Partner?

When you become a Community Partner, you'll align your organization's values with a cause that resonates throughout our community and funds life-changing programs for local students. You'll also receive meaningful year-round recognition in ways that showcase your leadership, values, and commitment to education.

Let's talk!

Please reach out today to explore the giving levels and opportunities available. Together, we'll build brighter futures for local students while connecting with the community you care about.

COMMUNITY PARTNER PROGRAM

LWSF's Community Partner Program offers businesses and organizations the chance to support education not just during our annual events, but throughout the entire year. With flexible start dates, this program offers celebrations that enhance your visibility and impact for a full year along with special recognition tied to our annual Be the Bridge spring fundraising event. Sponsorship levels begin at \$1,000 and scale to match your philanthropic goals, making it possible for organizations of any size and on any fiscal calendar to invest in student success and the future of our community.
